

14 LIFE BELOW WATER

Luisa Fernanda Castro
Raymond Vázquez
Carlos Fontanez

What are the major
threats to oceans today?

Overfishing 

West Africa:
64% of total

Asia (excl. Japan, South Korea):
21% of total

Other: 15% of total

Central and South America:
182,000 tons
\$44 million

West Africa:
2.9 million tons
\$7.15 billion

Asia (excl. Japan, South Korea):
948,000 tons
\$2.45 billion

South Korea, Japan:
106,000 tons
\$22 million

East Africa:
181,000 tons
\$50.5 million

Oceania:
198,000 tons
\$71.2 million

Antarctica:
48,000 tons
\$7.8 million
